Level and Flow

Magne-Sonics - Vertical and Horizontal Float – Open Channel Flow –
Ultrasonic Level - Tuning Fork

McCrometer V-Cone - Propeller - Magnetic Flow meters-Full Profile Insertion Magmeters

Eldridge Products – Thermal Gas Mass Flowmeters and Flow Sensors

Temperature and Pressure

Accutech Industrial Wireless Instrumentation - Temperature-Pressure-DP-Level – Acoustic-
Multi-Input- Switch Input

Temp-Pro– Temperature Sensing Products - Precision RTD-T/C – Thermowells

Protection Equipment

MTL Intrinsic Safety- Process I/O; Fieldbus Relcom connectivity-Surge Protection;
IS Computers/HMI; Annunciators

Expo Technologies- Type X,Y,Z Purge & Pressurization Systems for Hazardous Areas
Room Pressurization

Modular Industrial Computers Industrial Computers & Displays for the Plant Floor-
Nema 4/4X/12 & Nema 7 environments

Agitators

Sharpe Mixers – Agitation Equipment – Portable, Top and Side Entering Mixers –
Turbine .5 to 25hp – Custom Applications

JD Mix – In-Line Static Mixers-Custom Designed- Stainless Steel, PVC, Fiberglass

Steridose- Bottom Mount Magnetically Coupled Sanitary Mixers

Hayward Gordon- Agitation Equipment- Top and Side Entry 20- 500 HP- Centrifugal Solids
Handling Pumps, ANSI & API Pumps,

Scott Turbon – High Shear, Multi-Shaft, Vacuum Mixers for Food, Pharmaceutical, Chemical

Process Equipment

SchuF/ Ram and Disc Bottom Outlet Valves - Special Design- Sampling & Diverter

Fetterolf Valves, Spray Rinse Valves, Y-Globe Valves ; Line Blinds

Protego Flame Arresters- In-Line & End of Line- Pressure/Vacuum Vents

Cera Ceramic Ball Valves 1”-8” -- Control – on/off – 1588F – Custom Design

Watson Valves Severe Service Ball Valves with Specialty Coatings

Apex Engineered Products – Nickel Alloy and Reactive Metals Shell/Tube Heat
Exchangers, Vaporizers, Evaporators, Coolers, ASME Pressure Vessels
