Level and Flow

McCrometer - V-Cone - Propeller - Magnetic Flow meters-Full Profile Insertion Magmeters

MagneSonics - Vertical and Horizontal Float – Open Channel Flow –
Ultrasonic-R F – Microwave-Hydrostatic – Tuning Fork

Eldridge Products - Thermal Mass Flow Meters

Azbil – Ultrasonic, Electromagnetic, Vortex Flow meters

Temperature and Pressure

Azbil- Temperature transmitters, Pressure transmitters, gauge pressure

Protection Equipment

MTL – Intrinsic Safety-Process I/O- Fieldbus Relcom Connectivity -Surge Protection- Wireless
I.S. Computers/HMI, Annunciators, Sequence of Event Recorder; Ind Network Security

Expo Technologies - Type X,Y,Z Purge & Pressurization Systems for Hazardous Areas
Room Pressurization

Modular Industrial Computers - Workstations, Computer and Peripheral Enclosures,
Mounting Systems, and Custom Solutions

Agitators

Sharpe Mixers – Agitation Equipment – Portable, Top and Side Entering Mixers –
Turbine .5 to 20hp – Custom Applications

Hayward Gordon- Agitation Equipment- Top and Side Entry 20- 500 HP- Centrifugal Solids
Handling Pumps, ANSI & API Pumps,

Scott Turbon - High Shear, Multi-Shaft, Vacuum Mixers for Food, Pharmaceutical, Chemical

Steridose - Mag-Drive mixers, diaphragm valves, aseptic connectors and sampling systems.

JD Mix – In-Line Static Mixers-Custom Designed- Stainless Steel, PVC, Fiberglass

Process Equipment

SchuF/ Fetterolf - Ram and Disc Bottom Outlet Valves - Special Design- Sampling &
Diverter Valves, Spray Rinse Valves, Y-Globe Valves; Line Blinds

Protego -Flame Arresters-In-Line & End of Line- Pressure/Vacuum Vents

Apex Engineered Products - Nickel Alloy and Reactive Metals Shell/Tube Heat
Exchangers, Vaporizers, Evaporators, Coolers, ASME Pressure Vessels

Cera - Ceramic Ball Valves 1"-8" -- Control – on/off – 1588F – Custom Design
